‘CPRD promotes Diversity and Gender Balance in its Workforce’

Center for Participatory Research and Development-CPRD is a progressive policy, research, and implementation institute. CPRD has been consistent in research and policy advocacy for establishing climate justice and full realization of SDGs. On climate justice CPRD emphasizes full implementation of the Paris Agreement 2015, and so far CPRD published a number of high quality policy papers on the key debated issues of the 2015 Paris Climate that got significant attention both in national and international (UNFCCC) level.
